

## OUR STORY

Upham is a growing collection of pubs with rooms, in the south of England. Each inn celebrates it's own unique character & local community that it serves. We celebrate our idyllic locations & believe we have a responsibility to protect the countryside that surrounds us, for now & future generations.

## WE CARE

Our carefully considered offering of ever growing products with purpose are highlighted within our list with either a bee or tree symbol.

Celebrating our partnerships with like-minded suppliers in support of our vision (with your help) to become more environmentally friendly & carbon neutral in every choice we make.

Each drink highlighted with a tree symbol indicates a 'sustainable story'.

Each drink highlighted with a bee symbol indicates a serve that will contribute to our charitable partnership with the Bee Friendly Trust - supporting their mission to create habitats for pollinators to thrive.
