The 1813 Enclosure map of Winkfield shows the land, meadow, orchard and cottage owned by Anne Gray. Since then we know very little until the pub was owned in the 1980's by Iris Williams (nee Singer), who renamed it The Pheasant Plucker. The pub changed hands again and became The Cottage Inn in 1992 before being sold to the Upham Pub Company in 2010. The pub was refurbished and changed its name to The Winning Post when it reopened in 2011.
